Term 3 /Week 9

Wednesday, 21st September, 2016

We acknowledge our role as peacemakers in our world, we are raring to go to show off our talent on stage and we celebrate outstanding student leadership in our school.

PEACE:
The world celebrates International Day of Peace today – the 21st September. Peace is such an important word in our Catholic tradition and offers us a great reminder of our most important calling as human beings. While we often hear the word ‘Peace’ and think automatically of wars, conflict and large scale worldwide challenges and issues, peace is something we all have the opportunity to model. Humans are hardwired to connect – our connection to each other is what makes us so different from all the other creatures on earth. In essence peace is about living without conflict or hatred – being ‘connected’. In every interaction we have with those in our lives we can choose to be peacemakers. Jesus taught us about bringing and sharing peace among all people of all cultures, races and sexes. This is our challenge today.

Have you ever tried doing a random act of kindness? How can you better spread Peace in your family, our community and our world today?

THE CONCERT IS ALMOST HERE:
I had a great conversation with a parent the other day who spoke to me about how excited their child was about this week. So much so they woke up with a spring in their step on Monday morning exclaiming “This is my favourite school week of the year!”

Our School concert of course, is much more than the performance you will see on Thursday night. We are very committed to this school event because there is so much learning involved for students. Of course there is the obvious – learning their dance moves or their lines, but there is also

Mission Statement
Inspired by our Catholic faith and in partnership with families and our wider community, St Mary MacKillop School creates opportunities for encountering life in all its richness.

much more to it than that. Students learn about the discipline involved in performing on stage, they practice team work and collaboration, they learn about problem solving and creativity, they learn about timing and movement, they have to be confident and resilient and they learn about the importance of courage and that most famous of all lines – “the show must go on”.

We are a very excited community at the moment and I know that the preparation and hard work will show through on Thursday night.

Yesterday a note was sent home with all students outlining the important details about Thursday night. Please ensure you have made yourself familiar with this information – some basic reminders are once again included in the Newsletter today.

STUDENT LEADERSHIP GROUPS:
Our Student Leadership Groups have been particularly busy this term with a number of key initiatives taking shape.

Our Environmental Leadership group is in the final stages of setting up our ‘Chicken farm’. A grant from the NRMA and a generous donation from Luke Agnew has allowed us to purchase a chicken coup and other bits and pieces to make this idea a reality. We look forward to meeting our new chickens early in Term 4. They have also been working with Mr Northeast to get the veggie patch ready for the summer garden.

Our Social Justice Leadership group has spent time with the local Vinnies volunteers in Kadina. They have heard about the great work they do, taken a tour of the facilities in Kadina and have begun thinking about other ways we can support them. Earlier this term, they organized a trash and treasure and the money raised has gone to sponsoring 3 children in a third world country.

Our Community Outreach Leadership group have been busy visiting Star of the Sea and recently extended an invitation to members of the RSL to join us at school for a tour and morning tea. It was very well received by those who joined us.

And finally our School Spirit Leadership group has been busily organising ‘Cray Cray Day’ – a day full of craziness and fun to take place on our final day of Term 3. You may have seen some posters around the school advertising the day. More information about this will follow early next week.

Our Student Leadership model acknowledges the role of every child in our school as leaders and provides them with the opportunity to ‘make a difference’ in our school, our community and our world.

STAFF PROFESSIONAL LEARNING AND FORMATION DAY:
The day after our concert (Friday) will be a Pupil free day. In normal circumstances we attempt to follow the same dates as the local DECD schools for these days. Unfortunately this time the dates and days didn’t match up with our planning. We also think that given the week we will have had and a late night on Thursday that the timing works quite well in providing a day of rest for our students.

On Friday our staff will be engaged with Michael Lincoln from Catholic Education South Australia who will facilitate a Spiritual formation and reflection day. This is a time for our staff to slow down, take some individual reflection time and deepen their own relationship with God. It is a vital part of our school’s ethos and culture.

As always, my door is always open and I look forward to hearing and sharing your news, celebrations, important questions or any concerns might have.

Kind regards
James Quigley
School Value Awards

Congratulations to the students who were recipients of the School Value Award. The award includes RESPECT, TEAM WORK, TRUST, COURAGE and COMMITMENT.

Front: Mia Dunstan, Emmett Russack, Jeslit Ginesh, Jackson Vandenberg, William Rogers, Jack Northeast, Emily Beeston

ICAS Certificate Recipients

Isabelle Carty, Shreya Das, Georgina Gross and Charlie Deane-Shaw were presented with their ICAS certificates at the school assembly last Friday.

Congratulations!

International Day of Peace

The Reception and Year 4/5 classes joined this morning to celebrate International Peace Day by creating a visual representation of what peace means to them.
Staff Retreat
Our staff will be gathering together, off site, on Friday for a day of reflection. It will be an opportunity to find a little bit of time and space to consider life from a personal perspective. Our focus for the day is Right Relationship, encompassed by the lens of Restorative Practice.

International Peace Day – Wednesday, 21 September
The U.N. International Day of Peace is celebrated today. It provides an opportunity for individuals, organizations and nations to create practical acts of peace. Living in peace is an integral part of Christian living and discipleship.

Early Term 4 happenings!
Our families are invited to join with the school community coming together prayerfully at the start of Term 4 at the Welcome Back Prayer Gathering on Friday, 21 October at 9:00am.

The anniversary of the Canonisation, in 2010, of St Mary MacKillop also occurs on the first day of Term 4, 17 October.

Plain Bread Roll Day for Catholic Mission – Wednesday, 2 November
World Mission Day, actually 23 October, is celebrated every year in every country wherever there are Catholics committed to building a better world for all of God’s people, a world where everyone has all they need to live a dignified and fulfilling life. God’s love is the spiritual energy that can make harmony, justice and connection grow among persons, races and peoples - for which everyone is searching. October is traditionally observed as Mission Month in the Catholic Liturgical Year. In the first few weeks of Term 4 part of our school prayer life and action will be focussed on the world charity, Catholic Mission.

Our annual “Act for Justice, Have Less Day” will be held on Wednesday, 2 November in conjunction with our whole school Mass on the same day. We are asking all of our students to forgo their yummy snacks and big lunches and drinks on that day and instead have water and a lesser snack for recess and a plain bread roll for lunch, which the school will provide.

All that is asked is gold coin donation which will be directed to Catholic Mission, which, in 2016, will be directed towards Papua New Guinea to help their community heal wounds and find peace through mercy. The theme of this year’s Catholic Mission World Mission Appeal is Lord, make me an instrument of your peace – from the prayer of St Francis.

It is intended that our “Act for Justice, Have Less Day” is an overall experience for the students which may in some small way help them to think about action for acting justly in our world while caring for and being generous to others.

Once again, a very busy and productive term for the whole St Mary MacKillop School community is drawing to a close. We give thanks to God for our holidays, the time set aside for rest and recuperation from the busyness of life! We need time to stop, to push aside our work and worries, to spare ourselves from constant productivity and remember that God is with us!

As the beauty of North Stradbroke Island brings deep connection to those who experience it, let us allow God’s peace to touch us inwardly. May we be soothed by the calm of God’s presence, always, in all our experiences.

May these coming holidays be a special time of connection with our own families and friends, rest, fun and safety!

Bernie Thomson
APRM and Chaplin (Pastoral Care Support)
During the Term 2 holidays I was lucky enough to have the opportunity to travel with a group of other educators from the Port Pirie Diocese to the Pacific Island nation of Kiribati. We were based in a village called Abaokoro on the island of Tarawa.

We lived for two weeks with Good Samaritan Sisters at their convent and Early Learning Centre. While we were there we ran workshops with teachers from the local area on curriculum based activities that they could do with their children to teach English and Numeracy skills. We also helped to do maintenance of their grounds and became involved in community life.

A fellow primary school teacher from Port Lincoln and I quickly noticed the lack of playground equipment for the students and set out to make them a nature play space. After a short time we realised that they already had one and it was called nature! He and I changed our thinking and constructed seesaws, swings and other equipment to compliment what the jungle had already provided for the students.

Our eyes were well and truly opened to the different living and teaching conditions that the people of Kiribati lived and learnt in. I was amazed to see that despite the lack of resources there was an extremely thorough education that the teachers provided for the children. It was amusing to see that if we took away the technology from our classrooms theirs were still quite similar, with sacred spaces, class expectations, school maps and duty roster, all hand written of course.

The people of Kiribati are in great need. They have major difficulties in securing fresh drinking water as their ground water must be treated before drinking and they have no money to construct the infrastructure to treat and distribute it. They have very few natural resources and have to import almost everything for their survival. Their only industry to speak of is fishing, which they lease to other nations. They see education as a means to improving the outcomes for their country and hold teaching and learning in high regard.

My journey allowed me to grow as a person and a teacher at the same time as fostering some enduring relationships with teachers from our diocese and the people of Kiribati. Thank you all to the people who generously donated items to the cause. My bags were overflowing with gifts and the money was greatly appreciated and has been deposited into a fund for sisters at the Early Learning Centre to build a classroom.

Vinnies Visit – Social Justice Group

Last week, on Friday 16th September, the Social Justice Leadership Group caught the school bus to Vinnies in Kadina.

We saw lots of clothes and met Deb King who is the manager of all Volunteers and who runs the shop. Deb showed us around Vinnies and answered some of our many questions.

The Vinnies association was shut down at one point because they weren’t selling enough or getting enough money. Deb told everyone that she would really appreciate if people could come in and work at Vinnies for an hour and that it would really help the people that come in as well. We took a photo with Deb and we learnt a lot about Vinnies while we were there. We had lots of fun there and were really surprised at how good the clothes were!

Vinnies is a really lovely place and overall it taught us so much about our community! Thanks also to Terry McCuminskey.

P&F Lunches

Attached below are the dates we require volunteers for lunches this term. Thank you to Lauren and Karen who have offered their assistance. If you can spare just 1 hour on a Friday between 12.00pm-1.00pm, then we need you! You will be a support person in getting the lunches ready.

A police check clearance is required to assist with lunches. Please see Karen or Julia if you need to complete a police check form.

Thank you.

From the Artist’s Palette

On behalf of the students I would like to send a big thank you to the P&F who purchased an art drying rack for the art room. We are all thrilled with the drying rack, which has made it easier to store all the artwork.

Many thanks,

Catholic Schools Music Festival

Next Tuesday night, 27 September, the UP Choir takes the stage at Adelaide Festival Theatre as an integral part of the Massed Choir for the Catholic Schools Music Festival for 2016. It will be an amazing experience! For our singers it will be an end point of a personal and group journey over three terms that culminates in a high level performance on a premier theatre stage in front of a packed theatre audience.

The personal journey has initially involved courage to set out on a long eight month journey, each member constantly working on improving their level of singing skill and music literacy, developing their own organisational skills, the self-discipline to practice at home rather than just relying on lessons at school each Monday. They have also needed to draw on their perseverance and resilience to keep going even when it all seemed too hard or not exciting.

Congratulations and thank you to Emma Venning, Imogen Russack, Keely Craigie, Erin Craigie, Angus Obst, Kirra Hettner, Jorja Beeston, Jorja Rogers, Georgina Gross, Amba Wenham and Charlotte Neill for your enthusiasm and persistence leading up to next week’s performance.

Our Festival Theatre tickets have arrived and are enclosed in this Newsletter.

Choir members are reminded to please return the CSMF Medical Emergency Form and Performance Day Bus/Walking Permission Form to Mrs Thomson immediately.

Thank you!

OSHC News

At OSHC we have been enjoying some of the nice weather and getting outside. We have been taking care of our vegetable garden, taken walks around the block looking for nature materials and looking for Pokémon. We have also been enjoying skipping, running races and group games.
