

School Development Update October 2020

Welcome ...

- *Welcome* to our first School Development Update for St Mary Mackillop School community!
- We will regularly provide an update to our school community on the progress of what's happening with the development of the Secondary Years 7-9 Learning Program and the new learning facilities for these year levels
- The information we plan to share in the lead up to 2022 will include the timing of future Information Evenings, Specialist Curriculum offerings, Building facilities, Design and progress, Secondary Uniform Design, and the Opening of the Secondary Learning building, just to name a few!
- We look forward to sharing our exciting progress over the next 12 or so months and to provide

What's happened so far ...

- Community Announcement and Press Release regarding St Mary Mackillop School becoming R-9 school
- Stallard Meek Architects engaged to start the design process
- Concept Design process completed and the Detailed Design process commenced with the Architect
