

We welcome you to our family

We are a proud Catholic school, founded in the tradition of St Mary MacKillop, Fr Julian Tenison Woods, and the Josephite sisters, servicing the Copper Coast area. We pride ourselves on making our motto *"In All Things Love"* a lived experience. In partnership with you, we want to nurture your child to love life, love learning and love each other.

Choosing the right school for your child is one of the most important decisions you will make, and I welcome the opportunity to help you with this.

So don't just look through the window, come on in through the door. I look forward to meeting you, sharing our offerings, showing you around our facilities including our new purpose-built 7-9 Middle School commencing in 2022.

We welcome you to our school family.
