Thursday, 14th December, 2023 (Term 4, Week 9)

Dear Parents, Carers and Friends of SMMS,

*The time of Advent offers us an invitation to
change our lives.*

*It is up to us whether we accept this invitation
and really do make changes.*

*Do we really want to "straighten our path?"
Let's open our hearts to allow the baby Jesus to
make a difference in our lives
and therefore the lives of others.*

We have been blessed to have a week of celebrating all that is good in our school. One of our core school values is to "celebrate success" and that is what we have been doing so well. All of our success comes from our God-given gifts and so we use them well and celebrate them well as a community.

This has been an amazing week:

Last Sunday evening, we enjoyed the Year 6 Graduation Dinner, attended by students and their families. We enjoyed a lovely meal together at the Angler's Inn. There was a presentation with individual words for each student highlighting their gifts to our community.

RAISING HEARTS AND MINDS

FROM THE PRINCIPAL

The students received a special book that they enjoyed signing for each other, school pen, graduation mug and printed Year 6 class jumper/shirt. We hope that in years to come, the students will cherish these symbols of their Year 6 graduation.

Yesterday we celebrated our Thanksgiving Mass. We were thankful to parents, family, friends and parishioners for attending, to Bishop Karol for celebrating the Mass and to Mrs Tully and helpers for all of the planning and preparations.

FROM THE PRINCIPAL

Students have celebrated their year's learning with excursions, class parties, cooking and craft and final class buddy visits.

Teachers have worked hard on writing reports which were sent home yesterday afternoon, a celebration and summary of each child's learning and achievements for the year.

Today students have visited with their classmates and teacher for next year so that they can go into the holiday break knowing who they will be with next year.

FAREWELL STAFF, STUDENTS AND FAMILIES

At this time of year, we are farewelling staff, students and families leaving us. I wish all students and families moving on, all the very best for the future.

At Mass yesterday, we farewelled staff leaving us and thanked them for our contribution to our school community:

Bernie Thomson: Taking Leave for Term 1 and 2 2024. We wish Bernie a wonderful time enjoying being with family and friends and very happy, safe travels for her trip overseas.

Hannah Cotter: Sadly for us Hannah is leaving us but we wish her well to follow her dreams to move to Adelaide where she has won a teaching position at St Joseph's School Tranmere. Hannah will be closer to her family and friends.

Hannah moved to the country to take on a teaching position and we have been blessed to have her here with us for four years. In her four years here she taught the Year 5/6 class for three years and the Year 6-9 class this year.

Hannah is an exemplary classroom teacher, providing excellent learning opportunities for students. She has taken students to sporting events, on camps and this year in particular did an amazing job this year coordinating our Dance Concert.

Relationships grounded in trust and respect with the students in her care, has been an outstanding quality of Hannah's.

We wish Hannah all the very best for the future.

FROM THE PRINCIPAL

*God of all goodness,
as they leave behind what has become familiar to them,
bless all who are leaving our school community.
Bestow the grace of courage and strength of the Holy Spirit upon them.
Guide them through the challenges, uncertainties, changes and successes ahead of them.
May they always be a blessing to their families, their friends and their communities.
We ask this through Jesus Christ our Lord.*

AWARDS PRESENTED

The following awards were presented at our Mass yesterday:

ROWAN RAMSEY COMMUNITY AWARD

Thank you to Rowan Ramsey MP, Member for Grey, who donates this award each year.

The community award is presented each year to a member of our community who gives generously of their time, talents and resources for the benefit of our community and most importantly for the benefit of our students.

The recipient this year was Julia Hammill. Julia was a parent and staff member at our school for 20 years. As a parent, always willing to help out with any whole school and classroom activities. As a staff member, Julia gave generously of her time and talents, going above and beyond in her role as Bursar Extraordinaire for our school.

Thank you and congratulations Julia!

ST MRY MACKILLOP SCHOOL COMMUNITY AWARD

This award was instigated by our School Board in 2021.

The award acknowledges the selfless contribution of parent, Taya Dennis, to our school community. Taya is a committed member of our P & F committee, rarely missing a meeting. She helps out with classroom activities and excursions whenever possible. Thank you to Wallaroo Lions Club rep Peter Hatcher who attended the Mass to present the award to Year 6 student Riley Davey.

Congratulations Riley!

FROM THE PRINCIPAL

ATTENDANCE AWARD

This award is a new one for our school. Attending school is not only a requirement, most importantly it has long-term benefits for learning and wellbeing. This year, in our whole school, we have one student who has attended every single school day of the year. This calls for commitment and resilience and this student's excellent attendance needs to be celebrated. The deserving recipient of the excellent Attendance Award was presented to Reception student Kieran Gilfillan.

Congratulations Kieran!

HOUSE POINTS SHIELD

Throughout the whole school year, students may earn points for their House for going above and beyond what is usually expected in their application to their learning, effort and attitude in their learning, showing care for the environment that God has created for us, showing leadership, caring for others, showing respect and making the most of the opportunities offered to them.

Congratulations to MacKillop students who accumulated the most House Points!

House Captains, Jordy and Luke accepted the shield and presented a thank you speech. MacKillop House students will receive a treat to say congratulations.

In this time of Advent when we are preparing for the birth of Jesus, let us focus on what we have to be grateful for in the year behind us and look forward to the year ahead, full of hope.

I wish you all a very blessed Christmas filled with the love and the hope of Jesus, and a very relaxing and enjoyable holiday break.

FROM THE REC

Our lives are often on repeat. We wake up, go to school or work, go home, relax, sleep and then repeat until the weekend. Most of us enjoy the constant patterns of our lives and can find joy and security in the 'ordinariness' of life.

As a school we also experience an annual cycle that begins at the end of January and then concludes in December, we know the rhythm of the year and all of the events that faithfully reappear in due course. This week is the last of week of Primary School for our Year 6 students and last week of Middle School for our Year 9 student, thus ending one of the 'seasons' of our school year. Yesterday we celebrated the End of Year Thanksgiving Mass and Graduation Ceremony.

Last Sunday, these students celebrated their schooling with a Graduation Dinner. The Graduation dinner is a fantastic conclusion to a year that for many has been the 'biggest' of their lives so far. The preparation for this final gathering held much excitement and tremendous anticipation of that final chance to celebrate not only this year but in fact all of their schooling so far.

This time of waiting is mirrored in our liturgical year. The shops have had Christmas decorations on display for a while already and within days they will be transformed along with public areas through our region. The APEX Christmas tree, in Kadina, has been re-launched, bunting will soon be hung on streetlights and we may even see some radiant Christmas lights on the houses around the community. Children young and old will very soon become focused on the big day! This waiting is what the season of Advent actually is about.

We often frame the birth of Jesus, Christ, as Christmas. The family get together, gifts and gastronomic bliss. Children rightly get caught up in what presents they will get from Fr Christmas, family and friends. As adults we however shift our focus slightly. Whilst enjoying the excitement of gift giving and receiving, we also focus on the wholeness of this time. We wait for Christ. It is a reminder of the great joy that came into the world so many years ago, with the birth of a child to parents who had little but faith in God and his promise to a young unwedded woman and her fiancé.

The synoptic Gospels offer us an illustration of John the Baptist. John was prophesized hundreds of years before by Isaiah, who proclaimed "prepare the way of the Lord, make his ways straight". Just as John called for people to repent and be baptized, we also evangelise and spread the Good News.

FROM THE REC

Throughout the weeks of Advent, we are invited to prepare ourselves and renew our commitment to others and our relationship with our God. We might be encouraged to seize the day and make the time to be with those we love now, rather than wait for the big Christmas gathering. We might make good relationships that have not been nourished or reach out to those in our lives whom we need to walk more closely with. We may commit to spending more time connecting with God or seeking him in all we meet and in everything we experience.

Sometimes God can be found in the most unlikely places. Many years ago, He came to us as a baby, born into a world not ready for him, in a barn not fit for you or I; let alone the Messiah, Immanuel, God who is with us.

As we congratulate graduating students, we do so with the hope that their lives will be filled with great success and much joy. We pray that they enjoy this period of waiting before they move on to their next great schooling journey.

I hope that you rejoice in the season of Advent and waiting also. The reward surely is just as exciting no matter what stage of life you are passing through.

During this busy season, our Christmas To-Do lists are so important, so I thought you'd like this one.

Our Christmas Trees are a symbol that Christmas is getting near and remind us

To be a light in the darkness.
We all fall over sometimes.
You can never wear too much glitter.
Bring joy to others.
Sparkle and twinkle as often as possible.
It's okay to be a little tilted.

This Christmas, please spare a thought for those who ..

Are feeling overwhelmed and burned out.
Are feeling the pressures of the season.
Are feeling lonely.
Are spending their last Christmas with a loved one.
Are grieving the loss of someone special.
Are experiencing poor mental or physical health.
I look forward to seeing you all next year.

VINNIE'S CHRISTMAS APPEAL

Thank you everyone for your donations of food and items during the Christmas Vinnie's Christmas appeal.
