**Wednesday 9<sup>th</sup> April 2025 (Term 1, Week 11)**

Dear Parents, Carers and Friends of SMMS,

We are about to enter what is known in the Church as Holy Week. Holy Week commences on Sunday, 13<sup>th</sup> April, with Palm Sunday, however we have commenced our observance this week so that we can have this week at school concentrating on Holy Week.

### HOLY WEEK

Holy Week will fall in the first week of the holidays however we will be observing it in Week 11, to fit this in before we go on holidays. The events of Holy Week are very much our focus during this week and we leave the Easter eggs and associated activities for the start of Term 2.

On Monday afternoon, the Reception and Year 6 class led us in a Liturgy that acted out the events of Palm Sunday: the time when Jesus left the desert to come into Jerusalem. It is called Palm Sunday because people pulled branches off trees and waved them in excitement as Jesus came into Jerusalem. They had not seen Jesus for 40 days and 40 nights so they were very excited.

This Friday we will remember through prayer, scripture, song, images and acting:

- Wednesday: In Jesus' absence from Jerusalem, the temple was turned into a market place; Jesus goes to the temple and shows his anger and disappointment, tipping over tables and stalls.
- Holy Thursday: Jesus gathers with his friends, the disciples, for a meal (the meal is a Jewish tradition called the Passover meal), which becomes their last supper together. Judas betrays Jesus at the supper.
- Good Friday: Jesus is arrested, taken for trial, he is mocked and

made to carry a wooden cross through the streets, he is hung on a cross, crucified, and left to die. Jesus is taken from the cross and his body laid in a tomb.

- Easter Saturday: Jesus' body is in a tomb, this is the period of time between Jesus death and resurrection. It is a symbolic time of waiting for Jesus' resurrection.

When we return to school next term, we will remember:

- Easter Sunday: celebrating the resurrection of Jesus.

### CHRISM MASS

The Chrism Mass is a special Mass held the week before Holy Week, for us in the Port Pirie Diocese, it is held at St Mark's Cathedral in Port Pirie. Today, our Year 6 class is representing our school at the Mass. At the Mass the oils that are used for blessings throughout the year are prepared, blessed and distributed to each parish. During the year these oils are used by the priests for blessing the sick, baptising, confirmation and other special times. Not many people get to attend the Chrism Mass so I hope this is a memorable occasion for our Year 6 students.

### THANK YOU

**Week 10 was another big week for our school. Thank you to:**

- Reception and Year 1 for their Project Compassion fundraiser ice cream stall – a treat much appreciated by everyone - and they raised just over \$200.
- Lisa Caffyn for preparation and organisation and attending the Year 7-9 Adventure camp at Mylor. It was great to see students enjoying new experiences and, in some situations, stepping outside their comfort zone, giving things a go. There was such a great variety of activities for the students: team building, bridge building, canoeing, giant swing, night walks and games, bouldering (flat wall with hand and foot holds), fishing and yabbing, archery, army style obstacle course, time in the swimming pool. The accommodation was great, a large cottage with wood fire which was lit on Thursday night – it was a bit chilly! The delicious food was a highlight, we were hungry after all of the great activities.
- Marcus Kerin and Paul Northeast for our boy's football team participation down at Maitland on Thursday, once again, great reports about student sportsmanship and teamwork. Well done to the team!
- Lucy Norton and Alex Wehr for organising and running the 2/3 sleepover at school and big thank you to them, and Lachlan Bates, Laura Kotz and Min Sawyer for supervising the sleepover on Friday night. They had it beautifully set up in the MPLA and classrooms. Thanks to teachers who provided their classrooms as areas for the students to sleep. The sleepover is an important step for the students building up to a night or two away from home for school camps in the future.
- Parent/Teacher interviews – what a huge week for everyone involved and there are still some interviews to go. Thank you for your preparation and contribution to these important meeting times with parents and carers, such important two-way communication and relationship building. Rewarding and exhausting - thank you!

### ST JOSEPH THE WORKER

The Feast of St Joseph The Worker will fall early in Term 2, Thursday 1<sup>st</sup> May (Week 1). The Feast honours St Joseph as a model of holiness for all workers and to emphasise the dignity and contribution of human labour.

Sister Shirley (past Principal and the last Sister of St Joseph to reside in Wallaroo) has sent a card to our school community, wishing us all an Easter Blessing. She enclosed \$150 to be used towards a treat for students and staff on the Feast of St Joseph The Worker.

Sr Shirley is very thoughtful and generous to our school community. Especially when she would live very humbly and not have a lot for herself, she shares what she does have with others. Thank you Sr Shirley.

### PUPIL-FREE DAY – MONDAY, 28<sup>th</sup> APRIL

As covered in previous communications, Monday, Week 1, Term 2 will be a pupil-free day for teachers to engage in preparations, planning and professional learning. OSHC is available for students who have indicated they will be attending.

### TERM 2

We commence Term 2 with students on Tuesday, 29<sup>th</sup> April.

God is an endless source of peace and strength.

Take time to slow down and find rest, even for a moment, in God's presence.

## CATHOLIC IDENTITY AND MISSION

As we approach the very special days of Easter, I would like to take this opportunity to thank everyone for their commitment and support throughout the first term of 2025.

I extend my sincere appreciation to our teachers, and all staff supporting those who teach, for their dedication to the students entrusted to our care. Your commitment to strengthening the faith, learning and wellbeing of our students provides inspiration for all.

To our families, thank you for your support and entrusting us to inspire the hearts and minds of your children, to know Christ, to love learning and to be the very best they can be. We take our responsibility seriously and will continue to do all we can to support you as the primary educator.

Term 1 is always busy starting with our Beginning of Year Mass, year 6 Aquatic Camp, Shrove Tuesday, Ash Wednesday Liturgy, Year level fundraisers for Caritas, Sports Day, NAPLAN, NYP District sporting events, Parent/Teacher interviews and now Holy Week Liturgies.

This week we are remembering Holy Week as Holy Week is during the school holidays. On Monday, the Reception and Year 6 classes led us in the Palm Sunday liturgy. On Friday we will have our Holy Thursday and Good Friday liturgy. After that, we will enjoy a Hot Cross Bun at recess.

Yesterday, the Reception class re-enacted the Bible stories of Jesus Washing the Disciples Feet, The Last Supper and Jesus Praying in the Garden. The students were reflective and respectful. They enjoyed learning about the Holy Week story by listening and re-enacting what happened.

Holy Week is the week before Easter, when Christians remember the events leading up to Jesus' death and resurrection, including Palm Sunday, the Last Supper, and Good Friday, culminating in the celebration of Easter Sunday.

*What is it?*

Holy Week is a special time for Christians to remember the story of Jesus, especially the events that happened the week before he died and came back to life.

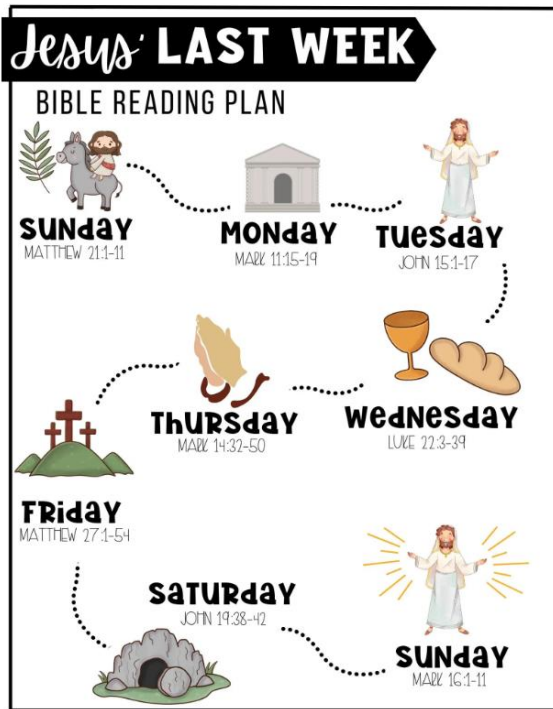

*Palm Sunday:*

It starts with Palm Sunday, where people remember when Jesus rode into the city of Jerusalem on a donkey, and people waved palm branches to welcome him.

*Holy Thursday:*

Then comes Holy Thursday, where Jesus shared his last meal with his friends (disciples) called the Last Supper.

## CATHOLIC IDENTITY AND MISSION

### **Good Friday:**

Good Friday is a sad day because Christians remember when Jesus was put on a cross and died for everyone's sins.

### **Easter Sunday:**

Finally, Easter Sunday is a happy day because Christians celebrate that Jesus came back to life, or resurrected, after three days.

### **Why is it important?**

Christians believe that Jesus died and then came back to life to show everyone how much God loves them and to give them a chance to live forever with him.

May your Easter be filled with joy, hope, and the renewed spirit of spring, as we celebrate the resurrection of Jesus Christ and the promise of new life. Easter Mass times are below.

### BOYS FOOTBALL LIGHTNING CARIVAL

---

On Thursday, 3<sup>rd</sup> April, the SMMS Football team participated in the Yorke Peninsula SAPSASA Lightning Football Carnival. Schools from all over the YP converged to Maitland to participate in football games against one another. Twelve of our year 5/6 boys participated with one student from Curramulka Primary School also joining our team. The boys showed great spirit and teamwork throughout the day which allowed each student to showcase their skills. A highlight of the day was seeing the ability of the more experienced football players to get their less experienced teammates involved in the game with every single player kicking at least one goal throughout the day.

Congratulations to the students who were chosen to train with the Northern Yorke Peninsula SAPSASA squad (Cody, Tate, Lachlan, Trae, Kye, Jhett, Connor, Bentley). Thank you to Mr Northeast for driving the team and the parent helpers who helped with goal umpiring.

## SAPSASA SWIMMING CARNIVAL

---

Congratulations to Harriet, Trinity, Scarlett and Eloise who were selected to represent NYP at the SAPSASA Swimming Carnival in Adelaide on Monday, 7<sup>th</sup> April.

The girls all performed well in the pool. Well done to Harriet for receiving a bronze medal in breaststroke, and Eloise and Trinity a gold medal in the medley relay.

## STORY DOGS

---

Last week we welcomed back the Story Dogs programme. Thank you to Chelsea and Louie, and Tania and Frankie who are volunteers who listen to students read. Students love reading to the dogs and the dogs love listening to them...even the dogs are smiling.

## YEAR 7-9 CAMP

---

Wednesday, 9<sup>th</sup> April, our Middle School students set off on their 2025 adventure camp to Mylor in the Adelaide Hills. They arrived at camp and set up in the Riverview Cottage accommodation before starting the first activity.

Rotation 1 was the Challenge Course where students worked as a team to complete a series of army style challenges. The course began with a water slide into a pond, students then had to climb a wooden wall, army crawl under cargo nets through mud, and complete a series of balancing activities which required them to transport water in various containers. It was beautiful weather and the students had a great time completing the challenge, finishing very wet and muddy!

Back at their accommodation they took part in a series of team games which required the group to work together to complete the challenges. Free time in the swimming pool was next, where everyone had a great time splashing around. Fortunately the day was warm enough to be able to enjoy the water activities.

After dinner some more games of 'Ga Ga Ball' and Camouflage were played before going on night hike by torch light. The evening finished with a few more games (in the dark!) before supper and some time relaxing together before bed.

A slower start on day two, students enjoyed a relaxed breakfast before starting activities. The first activity of the day was archery. Students were quick to learn the skills of archery. They enjoyed hitting the target and playing games, seeing who could get the highest score.

After morning tea, the group went on the giant swing. This was a challenge for students who conquered fears of height with some being dropped from a height of about 8m. The group showed great encouragement and support for each other as they stepped outside their comfort zone.

After lunch, students completed a bridge building challenge course which required team work, problem solving and a lot of balance. They all did well and managed to build bridges across the designated area. The next activity was canoeing. The group was taught the skills of canoeing before being partnered up for the double canoes. It was so peaceful canoeing on the creek, punctuated with lots of laughs and funny moments. Once we were back on the banks, those who were brave enough did some creek jumping! So much fun!

Everyone enjoyed lasagna for dinner before doing some night activities. Students enjoyed a night walk before playing more Gaga Ball and Camouflage in the dark before heading back to the accommodation and competing in a quiz night. It was another fun action-packed day.

## YEAR 7-9 CAMP

Day 3 began with breakfast followed by packing up our rooms and getting things tidy, ready for departure. Our first activity was fishing and yabbing which we found a lovely sport along the Onkaparinga river and our guide taught the students how to cast a hand reel. By the end, despite not catching any fish, they were all casting like pros! We checked the yabby nets and had caught 2 yabbies and a shrimp. The students all took turns holding the yabbies before releasing them back to the river.

Our last rotation after morning tea was bouldering. Students enjoyed practicing on the bouldering wall and taking part in the hanging challenge. All students displayed great skills and were able to manoeuvre around well. We enjoyed a tasty lunch before loading the bus and heading for home.

## YEAR 2 AND 3 SLEEPOVER

On Friday afternoon, students gathered at school for a fun-filled night of adventure, laughter, and plenty of treats.

After arriving and setting up for the night, students could choose from a range of different activities and games.

The evening kicked off with a delicious feast of pizza and chips. The students were able to enjoy their favorite foods while chatting with friends and relaxing. After dinner, it was time for an adventure! The students set off on an evening walk around the school. In groups they explored the school grounds and discovered hidden corners of their familiar surroundings.

Once back inside, the fun didn't stop. The students cozied up in their sleeping bags, ready for a movie night. With popcorn in hand, they watched a fun, family-friendly film. Laughter filled the room as they enjoyed the movie together, ending the evening with big smiles.

It was a night full of excitement, bonding, and new experiences. The Year 2 and 3 sleepover was not only a chance for the students to enjoy some time away from home, but it also helped them grow closer as a class. Special thanks to the staff who helped make this event such a success. We also extend a huge thanks to Min Sawyer for volunteering at the sleepover.

## POLICE VISIT

---

On Friday, 4<sup>th</sup> April, our Reception and Year 1 students had an exciting visit from Sergeant Tristan of the South Australian Police. The students were eager to learn about the important role police officers play in keeping our community safe.

Sergeant Tristan spoke about the different ways police help people, answered lots of curious questions, and even let the children explore the inside of a real police car! The flashing lights and sirens were definitely a highlight of the visit.

It was a fantastic learning experience, and we are so grateful to Sergeant Tristan for taking the time to visit.

## MINI MACS PLAYGROUP

---

Our Mini Macs Playgroup meets every Tuesday at 9:00am in our hall. The group caters for children birth-5 years for a weekly play and a lovely catch-up for the families!

Yesterday, the children enjoyed an end of term Easter themed party with egg craft and a shared morning tea of fruit and hot cross buns – plus a visit from the Easter Bunny!
